

Institution Best Practices

Title of the Practice

1. Open forum

Objective of the Practice

The Open Forum aims to encourage dialogue and spread awareness on various topics apart from curriculum among students

The context

In order to establish direct communication with students Vanita has come up with a new concept of OPEN FORUM. The Open Forum aims to encourage dialogue and spread awareness on various topics apart from curriculum by providing a platform on which ideas, thoughts and questions can be expressed and tackled in an open environment. The Vanita Open Forum gives students the opportunity to share their thoughts and removing stage fear.

The Practice

The organization of the student's open forum would be done in the following manner. The topic is given to the students beforehand. During the discussion students can contribute their ideas, thoughts in front of the gathering and come up with solution to the problems.

Evidence of success

Evidence of success of the practice includes increased participation in co-curricular and extracurricular activities, better confidence, good communication skills and decrease in stage fear. The students are more confident and have a healthy relationship with the staffs and other students.

Problems Encountered and Resources Required

This practice requires enthusiastic students with lot of knowledge in current affairs. There are no limitations or constraints faced during implementing the program.

Outcome

Personality of the student enhanced, communication skill has been increased.

2. Vanita's Got Talent:

Objective of the Practice

To bring best Talent among students

The context

Vanita has come up with the concept of Vanitas got Talent in which Incoming students can showcase their Talent. Students are given opportunity to showcase their talent like art, culture etc.,

The Practice

The practice would be done in the following manner. Students were informed to come up with their talent and a platform is given to them where they can showcase their talent in skills like singing, dancing, painting, playing musical instruments etc.

Evidence of success

Evidence of success of the practice includes increased participation in co-curricular and extracurricular activities, better confidence, good communication skills and improvement in existing talent.

Problems Encountered and Resources Required

This practice requires enthusiastic students with lot of talent in diversified areas. There are no limitations or constraints faced during implementing the program.

Outcome

Talent of the students enhanced.

Title of the Practice

3. Badges to Faculty:

Objective of the Practice

To encourage faculty members and to recognize effort of faculty members to improve the teaching skills and badges are given to the faculty.

The context

In order to encourage faculty to contribute in the area of research financial support has been given to faculty who attends FDPs, publish or present papers in national and international journals or in conferences

The Practice

On the occasion of Independence Day and Republic Day faculty will be felicitated with the badges for the effort taken by them in terms of organizing programs, attending FDPs, Publishing and Presenting papers at national and international conferences, contributing chapters in books etc.

Evidence of success

Evidence of success of the practice includes increased participation by faculty in FDPs, Publishing and Presenting papers at national and international conferences, contributing chapters in books etc.

Problems Encountered and Resources Required

This practice requires hardworking and dedicated faculty members. Sometimes due to some personal constraints few faculty members may not be able to give much time to all the above mentioned points.

Outcome

Improved participation by the faculty members in FDPs, Publishing and Presenting papers at national and international conferences, contributing chapters in books etc.

Open Forum - Awareness program on Real life threats
