

Student Achievements

2018-2019

- M.Sc. Chemistry First year students attended National Workshop on “Insilico Toxicity Prediction in Drug Discovery” organized by St. Pious X Degree and PG College for Women, Nacharam, Hyderabad on 28th March 2019

2019-2020

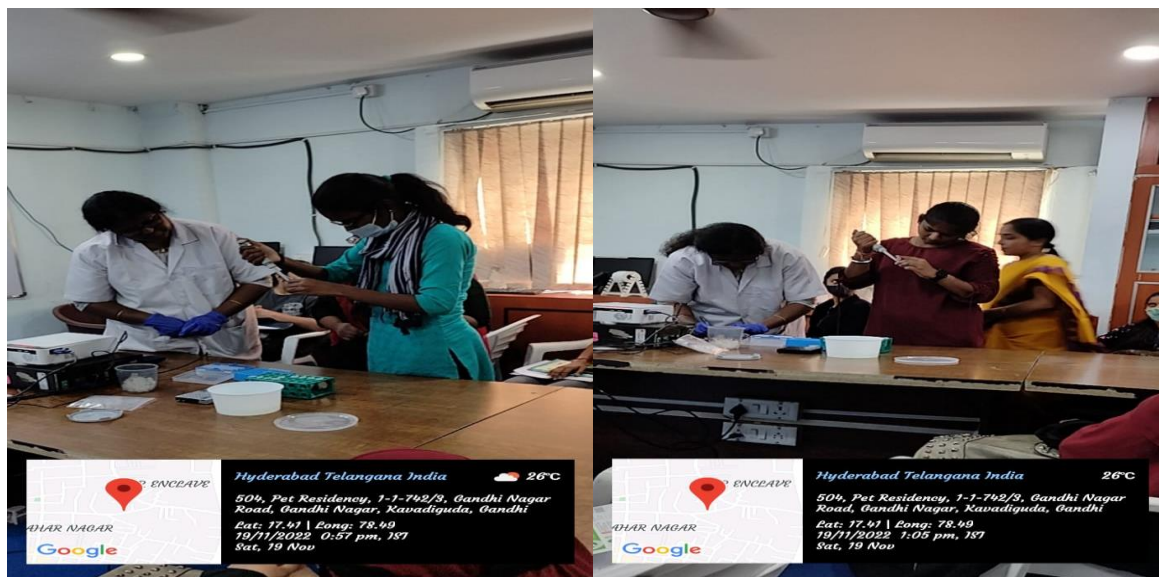

- M.Sc. Chemistry year students attended Two Day National Workshop on “Intellectual Property Rights and Industry-Academia Interface organized by Department of Chemistry, University College for Women, Koti, Osmania University, Hyderabad on 25th and 26th September 2019.

2022-2023

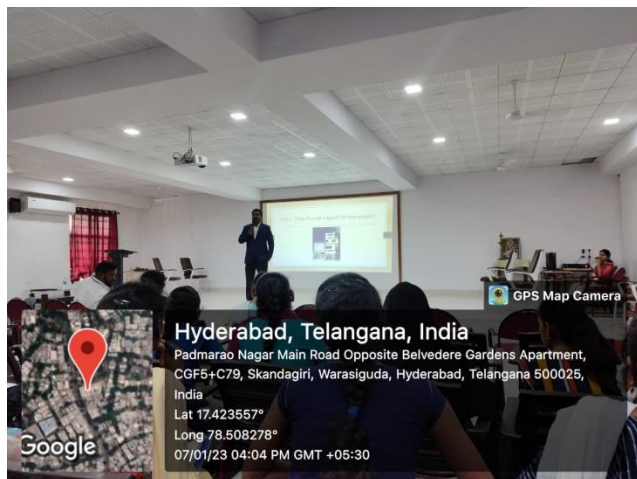

- M. Jerusha Joy from M.Sc. Chemistry Final year won 1st prize in Book review Competition conducted by Department of Library and Information Science during the National Library Week Celebration from 14th to 20th November 2022.
- Sakshi Tiwari from M.Sc. Chemistry Final year won 2nd prize in Book review Competition conducted by Department of Library and Information Science during the National Library Week Celebration from 14th to 20th November 2022.
- Shaziya Farheen from M.Sc. Chemistry Final year participated in Book review Competition conducted by Department of Library and Information Science during the National Library Week Celebration from 14th to 20th November 2022.

- Kulsum Fatima from M.Sc. Chemistry Final year won 2nd prize in Elocution Competition conducted by Department of Library and Information Science during the National Library Week Celebration from 14th to 20th November 2022.
- B. Stella from M.Sc. Chemistry Final year won 3rd prize in Elocution Competition conducted by Department of Library and Information Science during the National Library Week Celebration from 14th to 20th November 2022.

M.Sc. Chemistry Final Year students participated in One day workshop on PCR techniques conducted by Cytomol labs on 19-11-2022

M.Sc. Chemistry Final Year students attended a Skill Development program on Analytical Instruments “ Bridging the Gap between Academics and Industry” conducted by Sardar Patel College , Secunderabad on 7th January 2023.

M.Sc. Chemistry First year Students participated in Intercollegiate Powerpoint Presentation conducted by Department of Chemistry on the occasion of National Science day on 25th February 2023
