## Departmental Activities

Department of Political Science has conducted:

1. Quiz competition on the 147<sup>th</sup> Birth Anniversary of Sardar Vallabhbhai Patel on 28<sup>th</sup> October, 2022.

2. Post-Election Survey at Munugode Constituency on 19<sup>th</sup> November, 2022.

## **Post-Election Survey Report of Munugode Constituency**

Department of Political Science has conducted a post-election survey at Munugode Constituency on 19th November, 2022. All the staff members from the Department of Political Science along with 70 students from B.A I,II& III have participated in this survey. We have chosen Choutuppall town for the survey as it is near to Hyderabad.

Students have collected the primary data by visiting each house of the town. Each student interviewed about 4-5 voters based on a thoroughly prepared questionnaire. A total of 400 voters were interviewed. The questionnaire contained several questions which enabled us to understand the voter's political awareness and their general knowledge. The surveyors (students) reported that most of the women, to whom they have contacted, were literate, but with no political knowledge. Some of them even asked the money to answer the questionnaire. All the four hundred samples were later categorized into different groups based on the age, gender and literacy. The data based on the survey stated that 65% voters were youngsters (less than 35 years) and 34% voters were middle aged and elders. According to the collected data 52% were male and 44% were female voters. Out of them 60% were literates.

According to survey result 58% of voted for TRS, 40% voted for BJP and 2% voted others. 66% of voters said that this by-elections is going reflect the mood of the voters for the forthcoming State Elections of Telangana and also the following General Elections.

By observing the views of the voters 80% of the population have said that distribution of the money and liquor by TRS was the main reason behind the victory of TRS, 5% of the population said it is the manifesto of the party which led to the victory and 2% of the population have given the vote to TRS by seeing the candidate.

70% of the voters believed that TRS has taken the support of Communist Party, only because of fear of defeat and 25% have given other reasons behind the support of Communist Party to TRS. Almost, 10 MLAs from TRS party have participated in the campaigning in Munugode Constituency only because of the fear of the defeat in the by-elections. The major reason behind the defeat of BJP in the by-elections was less money distribution among the voters compared to TRS. This has affected the mind-set of the local people. Another important finding in that is most of the voters are happy with the welfare schemes including monthly pensions, Dalit bandu and farmers are impressed by 24 hours free electricity.

Most of the voters have accepted the money because it is important for livelihood and they know that after election, no party or representative will turn back for their town development.

65% of voters have said that Komat Reddy Rajgopal Reddy has chance to win the forthcoming election because of the fame among the youth in the Constituency.

Congress lost its deposit because of lack of campaigning in Munugode Constituency. Also, 50% of voters believed that presence of Congress led to the division of votes and loss of BJP.

After the victory of TRS, voters are expecting much more development in Choutuppall. For example, development of roads, irrigation facilities, construction of more schools and colleges, more employment opportunities should be provided in Choutuppall town.

Final analysis draws us to the conclusion that people at the Choutuppall are influenced by policies of the ruling party. However, distribution of money and liquor played a major role in the electoral behavior.

3. On “Samvidhan Divas” (26<sup>th</sup> November, 2022) students have taken an oath and a debate was conducted on the topic “Constitution Day”.
