“Anaemia and Importance of Hygiene Among Girls”

Department of Applied Nutrition arranged a talk on “Anaemia and Importance of Hygiene Among Girls” for hostel students on 25th September 2018. Dr. Latha Shashi, Chief Dietician Fernandez Hospitals was invited to deliver the talk.

Dr.Latha Shashi spoke about the importance of diet during the adolescent years and its impact on health. She also emphasized on maintaining good menstrual Hygiene. She encouraged the students to consume a healthy and well balanced diet and incorporating iron rich foods in the diet to combat anaemia.

The program was an interactive one and well attended by the students.

Outreach Programs

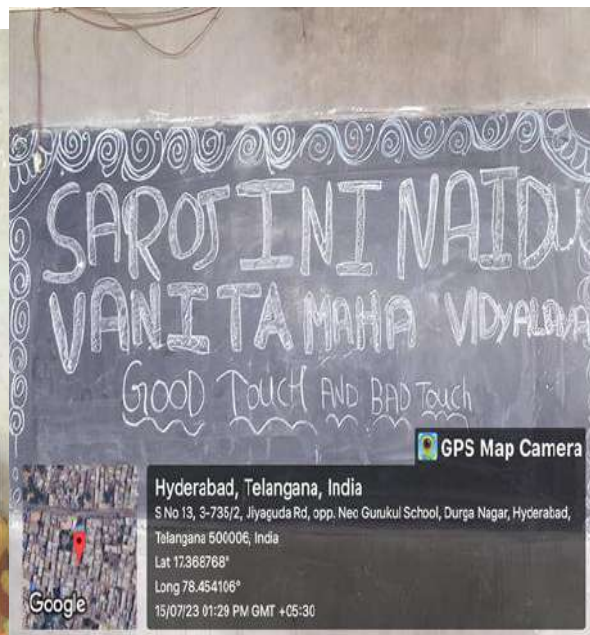

Report on Outreach Programs

Outreach Program Organized By MBA Department

- School: Master Minds Gurukul School, Jiyaguda.
- Activity Name: Good Touch and Bad Touch
- Date: 15th July 2023
- Number of students who are part of the Program: 10
- Number of students attended the Program: 10

Objective of the Program: To educate the students about their rights and safety in the society and how to deal with abuse.

On 15/7/2023, our team conducted an outreach program in a government Gurukul school to educate the students about good touch and bad touch. The program aimed to raise awareness about the importance of consent, boundaries, and safety in physical interactions. The program also provided the students with information on how to identify and report any inappropriate or abusive touch they may encounter. The program was well-received by the students and the school authorities, who appreciated our efforts to empower the children with knowledge and skills to protect themselves and others.

Students of Sarojini Naidu Vanita Maha Vidyalaya in association with Sudhara Foundation organized an Outreach Program at Neo Gurukul School, Jiyaguda on Good Touch – Bad Touch, Physical Abuse,

Outreach Program Organized By MBA Department

- School: Shanthi Nike than School, Jiyaguda.
- Activity Name: Child abuse and help line numbers
- Date: 4th August 2023
- Number of students who are part of the Program: 10
- Number of students attended the Program: 10

Objective of the Program: To educate the students about their rights and safety in the society and how to deal with abuse.

On August 4, 2023, our team organized an outreach program at Shantinikethan School with the purpose of educating students about the Child Abuse Helpline numbers. The primary objective of this program was to raise awareness among students about the significance of consent, personal boundaries, and safety in physical interactions. Additionally, we aimed to equip them with the knowledge and skills necessary to identify and report any instances of inappropriate or abusive touch they may encounter.

The program received a positive response from both the students and the school authorities, who greatly appreciated our efforts to empower children with the tools to protect themselves and others. By providing them with valuable information, we sought to install a sense of confidence and resilience in these young individuals, enabling them to navigate potentially harmful situations with awareness and assertiveness.

- Activity Name: Child abuse and help line numbers
- Date: 5th August 2023
- Number of students who are part of the Program: 10
- Number of students attended the Program: 10

Objective of the Program: The objective of this program was to educate students about internet safety methods in society and equip them with the necessary skills to handle abuse effectively.

On August 5th, 2023, our team organized an outreach program at Government Girls High School with the sole purpose of enlightening students about Internet Security. Our primary goal was to raise awareness among students about the importance of consent, personal boundaries, and safety in the virtual environment. The program was met with enthusiasm from both the students and the school authorities, who deeply appreciated our efforts to empower children with the knowledge and tools to protect themselves and others. By providing them with valuable information, our aim was to instill a sense of confidence and resilience in these young individuals, enabling them to navigate potentially harmful situations with awareness and assertiveness.
