NATIONAL SERVICE SCHEME

ABOUT NSS

- The overall concept of national service scheme is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in educational system.
- The educated youth who are expected to take reins of administration in future are found to be unaware of the problems of villages/slum community and in certain cases are indifferent towards their needs and problems therefore it is necessary to arouse the social conscience of the students and to provide them an opportunity to work with the people in villages and slums.
- It is felt their interaction with the common villagers and slums dwellers will expose them to the realities of life and bring about change in their social perception.

THE YOUTH OF A NATION ARE THE TRUSTEES OF POSTERITY

JAI HIND

I CDT V.N.L. SAMEERA from 1(Telangana) GIRLS BN NCC, SECUNDERABAD GROUP, ANDHRA PRADESH AND TELANGANA DIRECTORATE.

I want to share my three years of NCC journey with you all!

The National Cadet Corps(NCC) came into existence on 16th July 1948 under the Act XXXVI of 1948 under the ministry of defence. The motto of NCC is 'UNITY AND DISCIPLINE' which was adopted on 23rd December 1957. In line with its motto, the NCC strives to be and is one of the greatest cohesive forces of our nation, bringing together the youth hailing from different parts of our country and moulding them into united, secular and disciplined citizens of our nation.

I'm delighted that, at a young age I became a NCC cadet which taught me what a spirit of adventure be like, commandship, discipline, leadership, secular outlook. I always feel blessed to have instructors and PI staff who taught me everything from the scratch in NCC. With their support I have accomplished great things in this field. NCC is not just an organisation but it is an emotion to plenty of cadets who show passion towards NCC like me! I have participated in various activities in NCC and I feel pleased that I got numerous opportunities during 3 years of NCC. I have got an experience how to bring a change in our society and how to be helpful for the people who are in need. In three years of NCC we have conducted awareness rallies, activities and participated in different camps conducted by NCC.

To begin with camp experience it is a different world where one cadet undergoes training in several aspects like physical and psychological and other aspects as well. I have learnt to work together no matter what the situation or types of persons are. Young minds have different perspectives to the situations but NCC made us to do only the right things with positive perspective which entirely moulded me into a person which I am today and I can surely say one thing is that NCC brought a tremendous change in me, I'll always carry that discipline and urge to save the nation with me wherever I go!

EK BHARAT SHRESTHA BHARAT SAPTAH

National Integration Camp(NIC) is conducted to make cadets understand and value the rich heritage of cultures that forge unity despite the diverse languages, traditions and religions of our country. These camps are conducted on an all India basis and help bridge the cultural gap among various states of India.

I got selected for **Ek Bharat Shrestha Bharat saptah** camp which was conducted virtually from 22nd march 2021 to 27th march 2021 due to covid-19 pandemic period. It was hosted between Uttarakhand Dte and Andhra Pradesh & Telangana Dte to create awareness about heritage and culture of the states and to inculcate the qualities of leadership, discipline, teamwork and character building among the cadets. This camp also provided me an opportunity to interact with cadets of different states, work with them and gain experience from each other which enabled us to identify the variation of culture, heritage, customs, traditions and socio-economic conditions.

The main aim of this camp is community living. As compared to all other camps which lay emphasis on Drill, PT, Weapon training, etc. The focus of NIC is on cultural activities. And if you see from my point of view, you are put to live with people from all over India, a diverse country in which more than 400 languages are spoken. You'll get to know about the culture of every part of India. In the same way, I got to learn about uttarakhand culture, traditions, Garhwali language and tourist places in UP and so many other interesting topics have been covered in this camp. The theme of this camp is **"save water"**. There was a teamwork, discipline and moreover there is a beautiful understanding between our instructors (AO MAJ ADITI SINGH MAM, SENIOR GCI SAROJ BALA MAM, JUNIOR GCI SAROJ MAM) and cadets which was resulted in wonderful performances by cadets. I did a presentation on tourist places of AP & T. We did a group dance performance on the **SAVE WATER** theme. For me participating in this virtual camp was a unique experience and to explore new technologies as well.

THE YOUTH OF A NATION ARE THE TRUSTEES OF POSTERITY

JAI HIND

I CDT V.N.L. SAMEERA from 1(Telangana) GIRLS BN NCC, SECUNDERABAD GROUP, ANDHRA PRADESH AND TELANGANA DIRECTORATE.

I want to share my three years of NCC journey with you all!

The National Cadet Corps(NCC) came into existence on 16th July 1948 under the Act XXXVI of 1948 under the ministry of defence. The motto of NCC is 'UNITY AND DISCIPLINE' which was adopted on 23rd December 1957. In line with its motto, the NCC strives to be and is one of the greatest cohesive forces of our nation, bringing together the youth hailing from different parts of our country and moulding them into united, secular and disciplined citizens of our nation.

I'm delighted that, at a young age I became a NCC cadet which taught me what a spirit of adventure be like, commandership, discipline, leadership, secular outlook. I always feel blessed to have instructors and PI staff who taught me everything from the scratch in NCC. With their support I have accomplished great things in this field. NCC is not just an organisation but it is an emotion to plenty of cadets who show passion towards NCC like me! I have participated in various activities in NCC and I feel pleased that I got numerous opportunities during 3 years of NCC. I have got an experience how to bring a change in our society and how to be helpful for the people who are in need. NCC

National Cadet Corps, is one of the leading youth organizations in our country, contributed in spreading national harmony and reliability amongst youth. Its role in building up the values of good personality, discipline, hardwork and in moulding them into energetic and responsible civilians of the country had been well identified.

NCC is the Indian military cadet corps wing of Indian armed forces. NCC offers training to the students of schools and colleges. This is not compulsory training for all students. With this aim, NCC not only creates soldiers for the nation but it also develops the leadership skills in youth.

To be a NCC cadet is like being unique, hard working, dedicated, punctual and most of all, an achiever. It inculcates the attitude of never giving up, makes you optimistic and builds a lot of self-confidence and character.

I wanted myself to be active and participate in everything I usually undertook lot of stress and depressed in my college and personal activities. NCC helped me to overcome these situations, I felt so relaxed after each parade, physically I was in pain, but mentally I used to feel extremely relaxed.

We have fire in our Eyes, That Rage in our Heart! Sacrifices Are Nothing To Us, When we serve Our Purpose; Those 3 words made us "National Cadet Corps."

My Experience As A NCC CADET

* As we all know that NCC is the second line of defence the life as a cadet is one can ever have because it teaches us other valuable things such as selflessness, honesty, discipline, hard work and ways to build confidence and gain leadership qualities. It was a pride moment and it had given a patriotic feeling, while I'm wearing my uniform for the first time. My drill experiences was terrifying but spending those days with my colleagues was really memorable & turnout, create self confidence. It was fun to parade with everyone.
