THE YOUTH OF A NATION ARE THE TRUSTEES OF POSTERITY

JAI HIND

I CDT V.N.L. SAMEERA from 1(Telangana) GIRLS BN NCC, SECUNDERABAD GROUP, ANDHRA PRADESH AND TELANGANA DIRECTORATE.

I want to share my three years of NCC journey with you all!

The National Cadet Corps(NCC) came into existence on 16<sup>th</sup> July 1948 under the Act XXXVI of 1948 under the ministry of defence. The motto of NCC is 'UNITY AND DISCIPLINE' which was adopted on 23<sup>rd</sup> December 1957. In line with its motto, the NCC strives to be and is one of the greatest cohesive forces of our nation, bringing together the youth hailing from different parts of our country and moulding them into united, secular and disciplined citizens of our nation.

I'm delighted that, at a young age I became a NCC cadet which taught me what a spirit of adventure be like, commandership, discipline, leadership, secular outlook. I always feel blessed to have instructors and PI staff who taught me everything from the scratch in NCC. With their support I have accomplished great things in this field. NCC is not just an organisation but it is an emotion to plenty of cadets who show passion towards NCC like me! I have participated in various activities in NCC and I feel pleased that I got numerous opportunities during 3 years of NCC.I have got an experience how to bring a change in our society and how to be helpful for the people who are in need. In three years of NCC we have conducted awareness rallies, activities and participated in different camps conducted by NCC.

To begin with camp experience it is a different world where one cadet undergoes training in several aspects like physical and psychological and other aspects as well. I have learnt to work together no matter what the situation or types of persons are. Young minds have different perspectives to the situations but NCC made us to do only the right things with positive perspective which entirely moulded me into a person which I am today and I can surely say one thing is that NCC brought a tremendous change in me, I'll always carry that discipline and urge to save the nation with me wherever I go!

## EK BHARAT SHRESTHA BHARAT SAPTAH

National Integration Camp(NIC) is conducted to make cadets understand and value the rich heritage of cultures that forge unity despite the diverse languages, traditions and religions of our country. These camps are conducted on an all India basis and help bridge the cultural gap among various states of India.

I got selected for **Ek Bharat Shrestha Bharat saptah** camp which was conducted virtually from 22<sup>nd</sup> march 2021 to 27<sup>th</sup> march 2021 due to covid-19 pandemic period. It was hosted between Uttarakhand Dte and Andhra Pradesh & Telangana Dte to create awareness about heritage and culture of the states and to inculcate the qualities of leadership, discipline, teamwork and character building among the cadets. This camp also provided me an opportunity to interact with cadets of different states, work with them and gain experience from each other which enabled us to identify the variation of culture, heritage, customs, traditions and socio-economic conditions.

The main aim of this camp is community living. As compared to all other camps which lay emphasis on Drill, PT, Weapon training, etc. The focus of NIC is on cultural activities. And if you see from my point of view, you are put to live with people from all over India, a diverse country in which more than 400 languages are spoken. You'll get to know about the culture of every part of India. In the same way, I got to learn about uttarakhand culture, traditions, Garhwali language and tourist places in UP and so many other interesting topics have been covered in this camp. The theme of this camp is **"save water"**. There was a teamwork, discipline and moreover there is a beautiful understanding between our instructors (AO MAJ ADITI SINGH MAM, SENIOR GCI SAROJ BALA MAM, JUNIOR GCI SAROJ MAM) and cadets which was resulted in wonderful performances by cadets. I did a presentation on tourist places of AP & T. We did a group dance performance on the **SAVE WATER** theme. For me participating in this virtual camp was a unique experience and to explore new technologies as well.

A group of cadets camp 'Ek Bharat Shrestha Bharat' held at NCC Group Headquarters in Secunderabad in Telangana.

### NCC's Ek Bharat Shrestha Bharat camp concludes

**O**ne of the Ek Bharat Shrestha Bharat (EBSB) camps, which started on March 22 between the directorates of Andhra Pradesh and Telangana, concluded on Saturday. After an interactive session between the directorates of AP & Telangana and Uttarakhand, both the State Directorates gave an informative presentation on their State's history, geography, economy, festivals, culture and traditions. The cadets of the three states were also taught the basic phonetics and meanings of various commonly used words in Telugu & Garhwali that led to an informative and fun-filled exchange for the participating cadets. On the last day of the camp, Air Commodore TSS Krishnan, DDC AP and Telangana addressed the participating 400 cadets online. He educated the cadets about the origin of NCC, EBSB camps and other facets of the National Cadet Corps and how these camps are fostering the spirit of national integrity amongst the cadets. ### Parents' support vital for students: Minister

Counsellors undergo training to curb suicidal tendencies

**CITY BUREAU**

Education Minister P Sabitha Indra Reddy on Tuesday urged teachers and parents to focus and take special care of intermediate students who experience a lot of physical, mental and hormonal changes, and provide them with adequate support.

Taking part in the Student Counsellors Training Programme organised by Board of Intermediate Education at Sarojini Naidu Vanita Maha Vidyalaya, Nampally on Tuesday, she recalled her experiences while completing Intermediate at Vanita Maha Vidyalaya.

"I appreciate the officials for organising such an event aimed at saving young lives. Similar programmes must be organised at all private and composite colleges as most of the suicide attempts were being reported from such institutions," the Minister said.

To curb student suicides, the Directorate of Intermediate Education identified 404 junior lecturers as Student Counsellors in many government junior colleges in the State. The identified counsellors are undergoing a two-day training programme to curb suicidal tendencies among students.

"The upcoming Intermediate Public Examinations 2020 should be free from suicides. At the end of this training programme, all the counsellors will be provided do's and don'ts list that will guide them in their counselling work," said Commissioner and Secretary, Intermediate Education, Syed Omer Jaleel, Secretary, Education Department, B Jannardhan Reddy said that both stress and pressure were inevitable in life and students must be given tools to handle them.

The programme for counsellors feature noted personalities including De C Veerender, Dr Yandamoori Veerendraiah, Ganitru Nageshwar Rao and Dr K Niranjan Reddy. The Meditation and Heartfulness sessions will be taken by Dr Parvi Pravi, Nalini Jayanthi and Sangartha.

I wanted myself to be active and participate in everything I usually undertook lot of stress and depressed in my college and personal activities. NCC helped me to overcome these situations, I felt so relaxed after each parade, physically I was in pain, but mentally I used to feel extremely relaxed.

## My Experience As A NCC CADET

\* As we all know that NCC is the second line of defence the life as a cadet is one can ever have because it teaches us other valuable things such as selflessness, honesty, discipline, hard work and ways to build confidence and gain leadership qualities. It was a pride moment and it had given a patriotic feeling, while I'm wearing my uniform for the first time. My drill experiences was terrifying but spending those days with my colleagues was really memorable & -turnout, create self confidence. It was fun to parade with everyone.

## My motivation to NCC

School life is a golden life, and golden moments live longer throughout our life. When we are being a part of Independence day or Republic day, the marchpast, the programmes, that discipline and patriotism towards our country attracts me more. When we take the right step it decides our future.

I didn't know much about NCC, when I was in primary school, and there was no NCC enrollment also. When we got shifted to new area and new school, my parents had conversations about enrolling in NCC, in this school.

It is an excellent opportunity to experience military life, it teaches you many things in life, once a chance is missed, we cannot get another chance in life.

The motto of N.C.C is 'Unity and Discipline'. It shapes us into responsible citizens of the country. The main

NCC (National Cadet Corps) it was my utmost dream to wear NCC uniform. Some day at the age of 14 I understood that NCC has a lot of respect that I started inquiring about NCC from my elder cousins and seniors in school. The common statement that I learned was NCC is tough physically as well as mentally. At last when I was in 9<sup>th</sup> std I got into NCC and I had many things. Confidence, self dependence, fearless, discipline etc... The most beautiful days of NCC are camp days. I had done ATC (A) certificate, RDC+IUC-I, RDC-IUC-II camps. I have completed my B-certificate and from all these camps I have learnt many things. Adjustment, time management etc... NCC even gave me good friends. It has boosted my morale and made me stronger human being. I am always alert to serve my nation as NCC cadet.

# My Experience As A NCC Cadet

\* As we all know that NCC is the second line of defence. The life as a cadet is one can ever have. Because it teaches us other valuable things such as selflessness, honesty, discipline, hard work and ways to build confidence and gain leadership qualities. It was a pride moment and it had given a patriotic feeling, while i'm wearing my uniform for the first time. My dull experiences was lessifying but spending those days with my colleagues was really memorable, and i enjoyed it. It develop a sense of discipline, improve bearing, smartness in appearance and turnout, create self confidence. It was fun to parade with everyone.

We had cadre instead of camp?

In second year due to the Pandemic Covid 19. Our five day cadre was wonderful. Though we had only five days it was an unforgettable experience with lecture classes, weapon handling, parades and so on.
