- Activity Name: Good Touch and Bad Touch
- Date: 15th July 2023
- Number of students who are part of the Program: 10
- Number of students attended the Program: 10

Objective of the Program: To educate the students about their rights and safety in the society and how to deal with abuse.

On 15/7/2023, our team conducted an outreach program in a government Gurukul school to educate the students about good touch and bad touch. The program aimed to raise awareness about the importance of consent, boundaries, and safety in physical interactions. The program also provided the students with information on how to identify and report any inappropriate or abusive touch they may encounter. The program was well-received by the students and the school authorities, who appreciated our efforts to empower the children with knowledge and skills to protect themselves and others.

- Activity Name: Child abuse and help line numbers
- Date: 4th August 2023
- Number of students who are part of the Program: 10
- Number of students attended the Program: 10

Objective of the Program: To educate the students about their rights and safety in the society and how to deal with abuse.

On August 4, 2023, our team organized an outreach program at Shantinikethan School with the purpose of educating students about the Child Abuse Helpline numbers. The primary objective of this program was to raise awareness among students about the significance of consent, personal boundaries, and safety in physical interactions. Additionally, we aimed to equip them with the knowledge and skills necessary to identify and report any instances of inappropriate or abusive touch they may encounter.

The program received a positive response from both the students and the school authorities, who greatly appreciated our efforts to empower children with the tools to protect themselves and others. By providing them with valuable information, we sought to install a sense of confidence and resilience in these young individuals, enabling them to navigate potentially harmful situations with awareness and assertiveness.

The students of M.Sc. Nutrition and Dietetics conducted a Nutrition Awareness Outreach Program on 31st October 2023 between 11am -12pm at 4 Government Schools in commemoration of World Food Day (16th October 2023) and National Nutrition Month (September 2023). The schools opted for the conduction of the outreach activity were Government High School Gandhi Bhavan (Nampally), M. G Memorial Girls High School (Nampally), Government City Model Boys High School (Chaderghat) and Government City Model Girls High School (Chaderghat). The activities planned for the program included Skit, Quiz, Zumba and a talk by the faculty of PG Department of Nutrition and Dietetics. In order to promote nutritional snacks and token of appreciation for school children's participation, Peanut Chikkis were distributed among them. The outreach program covered 500+ students belonging to 7th, 8th and 9th standard.

Feedback from Participants

- Hi Deepika madam, "Hospitality is spreading joy" what a wonderful way of expressing your work, Your smile speaks about your hospitality, your softness speaks about your caringness which heals wounds, your patience speaks about your interest in working, your commitment always speaks about your truthfulness towards your duties, it did not take much to know what a wonderful person you are.
- You are one such woman who has shown that women can achieve that reach their goal and to look out of their box for new challenges. Of course with the support of the family who is the main pillar of our careers.
- One of the most inspiring people I admire is Mrs.Sudha Murthy, I wish and pray that you reach to her heights and beyond, You have beautifully explained how important education is and how a woman should always be ambitious to explore and try not only to begin her career but to build her life on top of it. Being a woman it is really encouraging to see your way of approach towards hiring a woman when compared to men. Your insight towards adjusting and compromising was really good and has shown me a new way to approach things.
- Thank you so much for your contribution.
- From T Rooplekha,
- Mathematics lecturer in Nrupatunga Degree College.
- Amazing .quite impressed about the energy and patience of Deepika Rao .its very captivating.Thanku Malathi madam .
- One of the best session I have attended.Thanks to Sarojini Naidu Vanita Mahavidyalaya!
- The most interesting and enjoyable session I have been .Thanks Malathi madam &SNVanita college for organising such sessions.
- It was an extremely informative and enjoyable and above all valuable session
- Just wanted to say how good the session was and very helpful to the students to boost their energy levels.please keep on doing such type of sessions Malathi..congratulations SNVMV college.
- It was certainly more lively and useful. Thanks to Malathi & Vanita college for organizing this type of sessions. Students will be benefited and motivated by such sessions.
- Well coordinated program ..appreciation for the students the way they asked the questions is superb. And the the way the speaker answered the questions is awesome.
- The most interesting and inspiring session . It's such a great feeling. Thanks Malathi madam & Principal madam for organising such webinars.
- More interactive and tailored to what individual participant wants to .. great answers by speaker .kudos to the speaker....keep on doing like this than monotonic ones. Congratulations and Thanks to the Principal Dr.Shobhana & convener Ms.Malathi.
 - Today's session will be very useful to the young girls indeed. Hope students have benefitted much..well coordinated and organized.Lively & Lovely speaker with very much patience.Thanks to Vanita college ,Principal Shobhana and the Team.
