

# **SAROJINI NAIDU VANITA MAHA VIDYALAYA**

**COLLEGE FOR WOMEN, AFFILIATED TO OSMANIA UNIVERSITY**

(Sponsored and Managed Jointly by Osmania Graduates' Association and Exhibition Society)

**NAAC Accredited 3rd Cycle**

The institution is under Osmania University and it strictly follows the curriculum prescribed by the university. The institution would like to go for autonomous status so that it will have more flexibility to implement NEP and a few new programs. The institution would like to implement few of the NEP provisions in the future. With autonomy there shall be possibility of multi-disciplinary courses being accepted. To implement NEP in the future the institution has the following strategies.

- Committees are created to monitor the 4<sup>th</sup> phase of NAAC accreditation
- The institution takes initiative to ensure that all stakeholders including faculty, staff and students are aware of the NEP's key provisions.
- Seminars and workshops are conducted to familiarize everyone with the changes when NEP is introduced.
- Encourage and promote research-oriented learning.
- Rich resources of language and vernacular languages can be considered.
- The institution invests in professional development programs and management development programs for faculty members to enhance their teaching methods, research skills and knowledge of the NEP
- To ensure that the institution has infrastructure to support new teaching methods, such as smart classrooms, digital libraries with high-speed internet
- To create an environment that empowers the students to choose their courses, pursue their interests, and engage in experimental learning and case study method.
- To create a student centric environment that encourages active participation, choice-based learning and to promote project based learning and internships
- The institution also proposes to start short term courses and diploma courses.
- To encourage the students to take active participation in co-curricular and extracurricular activities

- Sangeet Vanita, Vanita has got Talent, music, dance, classical folk along with collaborative activities with Department of Language and Culture, Telangana State will be promoted
- The institution will implement continuous assessment methods, reducing the emphasis on final exams and to focus on holistic evaluation to gauge a student's overall development
- To establish mechanisms to monitor and maintain the quality of education. Encourage faculty research and collaboration with industry to ensure up-to date content.
- To promote international collaborations and exchange programs to expose students to global perspectives and opportunities.
- To enhance the use of digital technologies for content delivery, administration and communication and to make the resources available on the website.
- Enhance community outreach programs and industry partnerships to provide practical experiences for students.

#### **Programs conducted for NEP Implementation**

- Panel discussion on NEP was held on 8-8-2020 in a virtual mode on the topic “ New Education Policy – Implications on Higher Education “ . Eminent panelists were Prof. R. Limbadri Vice-Chairman, TSCHE & Convener DOST , Dr. Amir Ullah Khan Adjunct Professor, Dr.MCRHRDIT, Prof T. Vijay Kumar Former Head, Dept of English, Osmania University and Prof. Salman Abdul Moiz, School of Computer & Information Science, Hyderabad Central University. YouTube Link used for the discussion is <https://youtu.be/RpJ-YvJdeXM> . Principal Dr. Shobhana was the modulator for the forum. Different panelists discussed about NEP and its implementation. Discussion about multi-disciplinary programs and use of vernacular languages to be introduced in the institutions. 4 years under graduate programs to be implemented under NEP and its impact on the higher education was discussed.
- Vanita Open Forum conducts regular orientation and awareness programs to the students on NEP.
- Infosys Springboard has designed a course in accordance with NEP to the students in collaboration with the placement cell of Vanita.

- Infosys has conducted “Infosys Campus Connect Conclave 2021 event”. Dr. Leena Chandran Wadia, Professor and Head of Vocational Programmes at The University of Trans-disciplinary Health Science and Technology (TDU), Bangalore shared her thoughts on salient features of NEP 2020 – opportunities and implementation challenges.
- Our institute was recognised on the Infosys Springboard for all the Campus Connect Offerings to the students.

To conclude NEP implementation is an ongoing process and it’s essential to engage all stakeholders actively and adapt strategies based on the feedback and changing educational needs to achieve the desired outcomes for the institution. The institution should continuously monitor and evaluate NEP related initiatives ensuring they align with the institution’s vision and mission.
