Sarojini Naidu Vanita Maha Vidyalaya as an institution follows decentralization and participative management in all its activities. The Management of the institute has a governing body with the Chairman as the head. Regular meetings will be held with the Principal for the effective and smooth functioning of the institute. The Principal as the head of the institution provides leadership for academic and administrative activities of the institution. All the main decisions related to academic matters are taken by the Principal in consultation with the head of the departments. The management also gives some financial power to the principal for the development of the institution.

Principal of the institution has a financial autonomy of up to Rs. 20,00,000. Principal has the authority to spend the amount as per the requirement.

Authority is delegated in a horizontal manner by the principal to the HOD's and other representatives. The heads of the department have the required facultyx under them for the efficient functioning of the organization. The heads provide regular updates and reports to college administration on departmental activities, accomplishments, challenges and future plans. The departmental heads are responsible for the day to day administration of the department and report to the principal. They have to oversee the course allocation to faculty for every semester keeping in view the various extraneous duties and to conduct regular staff meetings for assessment of progress of teaching - learning process and other departmental activities. All faculty members of the department have enough flexibility in organizing seminars, workshops, educational tours etc. The faculty members take up initiatives to achieve the mission and vision of the department.

There are many committees formed to make the work much easier for the Principal. Different committees like administrative, academic, student, cultural, canteen, hostel, sports, library, research, staff representative etc. are set up for the smooth functioning of the day-to-day activities of the college. Each committee has faculty and student representatives to organise the activities
