GREEN POLICY

POLICY STATEMENT

Our Green Policy is aimed to develop an environmentally sustainable institution with the inclusion of several green initiatives and their effective and efficient implementation. We wish to maximize the adoption of different activities as much as possible to reduce the environmental impact and minimize our carbon foot print potential.

We are committed to provide a healthy, fresh, aesthetic, professional ambiance to our students and staff as an educational institution.

OBJECTIVES

- The Green Policy of our institution upholds our traditional practices in harmony with Mother Nature.
- We seek to promote the plantation of indigenous medicinal and ornamental plants in and around the college campus
- Maintaining botanical garden and nursery for propagation of rare and endangered plants
- Promote environmental awareness among our stake holders and encourage them to work in an environmentally conscious way
- Gift a plant on all occasions instead of other gifts
- Celebrate all festivals in an eco-friendly manner
- Discourage the practices where significant health, safety or environmental hazards exists
- Adoption of plants by students and staff improves the conservation of flora at institutional level
- Grafting methods of plant generation methods will be followed to enrich the students' knowledge in horticulture
- Establishing Hydroponic units on experimental basis to encourage the students to acquire the technical know how
- Eco Club monitors the annual Haritha Haram programs to encourage the students in social activities
- Take administrative action in case of non-compliance to the policy

Environment Policy

Besides initiatives for Environment Protection, the Environment Policy includes Energy Management, Waste Management and Water Management which are dealt with separately taking into account the importance of each, and policies and procedures have been formulated for these topics.

Policy Statement

SNVMV believes in protecting and promoting "save planet earth" as it is mother of nature and all living beings.

Objectives

- To encourage projects on environmental assessment
- To impart awareness about green clean campus
- To initiate sustainability practices in the campus and among students
- Financial savings through a reduction in resource use to reduce, reuse & recycle
- Curriculum enrichment through practical experience
- Development of ownership, personal and social responsibility for the SNVMV campus and its environment
- Developing an environmental ethic and value systems in students
- Conduct audits for recommendations and continuous improvement
- Teach sustainable development across all disciplines of study
- Encourage research and dissemination of sustainable development knowledge
- Green campuses and support local sustainability efforts

Roles

- Environment Protection and awareness
- Environment Policy to be implemented in the Campus.
- Internal inspection system should be developed for various equipment's available in campus.
- Waste Management plan should be prepared for the campus.
- Environmental drills for response against spillage and leakage of chemicals in the campus
- Plastic usage can be reduced in campus by encouraging the use of cloth, steel and glass material.
- The monthly inventory of e-waste is required to be maintained in formats on regular basis.
