## **Sensitization to constitutional obligations**

Constitution day (26th November) is celebrated every year to create awareness among the students and staff about the importance of constitution and the need to follow duties, values and responsibilities, as well as to know the rights of the citizens of India. We utilize the fact that our campus is used for voter enrollment programmes, by encouraging our students to participate in the process, along with promoting the importance of voting. Quiz competitions are conducted for students of Humanities, to improve their knowledge- based regarding the Indian polity and

constitution, which will be of much help to them in their preparation for competitive exams.
