MBA LIBRARY

MBA Library was established in 1995. It stacks a total of 8266 books, 29 National, International journals and periodicals. Five different news Papers caters to the day to day information requirements of the users. Every year the college spends approximately Rs. 1,50,000/- on books and journals. The Library is automated with Newgenlib software. Students are issued at one time 6 books and two magazines to home for preparation. Students have access to the internet and e resources in the library. Some of the e-resources are N-List and DELNET. Staff and students have access to DOAJ (directory of open access journals) and DOAB (directory of open access books). Students also can take advantage of the competitive exam books like civil services, UGC-NET and TSSET, Law SET, GATE, TOEFL and books on personality development etc. in the library.
