### **URDU LANGUAGE AND ITS IMPORTANCE**

Language is the best source to express our thought, global we have hundreds of language from those number of languages few languages are famous around the world out of which, URDU is one, behind every successful nation is the language of nation place a very important role coming towards URDU language this language has a very good history the Literature of URDU language is based on prose and poetry. Focusing on Deccani Literature (southern literature) is very good. It had also played a very good role to frame URDU language.

At present most of think that URDU is not successful language, but, I would like to show you, those people who thinks URDU is not a successful language. URDU is not just second language in our country. But also in various part of the world it has taken place as second language in the course of various universities for ex in Japan, America, England, Holland etc.

In today's world everybody is focusing towards IT field, it is not that URDU is out of field, we have different software in URDU (Urdu In page, MS office Urdu, typing tutor etc...) when everybody interested in television URDU is attached with the television. We have proper channels for Urdu on which we have news, serials and films. Mostly those films in which URDU language is used.

#### **It's second official language of Telangana State.**

CM ordered every government organization to appoint an Urdu translator. The recently opened 206 minority schools are ordered to have mandatory urdu language.
