Our Sponsoring Organizations

This college is sponsored and managed jointly by Osmania Graduates' Association (OGA) and Exhibition Society, Hyderabad. It was established in the year 1962 and is the second among 18 institutions that are established by OGA and Exhibition Society.

Osmania Graduates' Association (OGA) was established in the year 1932 and Exhibition Society was established as an offshoot of OGA in the year 1938. While OGA provides the policy guidelines to manage and run this institution, the Exhibition Society provides the financial support in the form of yearly grants. Exhibition Society generates its revenue by conducting the All India Industrial Exhibition, popularly known as the Numaish, in Hyderabad. All this income of Exhibition Society is devoted to establish and maintain educational institutions.

Making higher education accessible and affordable has been the primary aim of our sponsoring organizations and therefore several of our schools and colleges were established in the districts and rural areas. This has been appreciated by the local population as well as successive governments and our institutions are held in high esteem by all concerned.

Members of the Governing Body of this college are drawn from Members of OGA and Exhibition Society. They come from diverse walks of life and are united in their commitment to extend voluntary service for the cause of women's education. From the Chairman's Desk

Hello and welcome to Sarojini Naidu VanitaMaha Vidyalaya!

For nearly 60 years, students have been entering the portals of this college as teenagers and leaving as fine and confident young women. Many have spread their wings risen high and flown far and wide after graduating. They now look back fondly at the years spent here.

On our part, as Management, we have endeavored to nurture and provide opportunity to every student to excel in academics, sports and co-curricular activities. The teaching and support staff have dedicated themselves to bring the best out of students. The intellectual and material resources that are available to students will be described in detail in the later sections, but it suffices to say here that we are richly endowed with teachers, technology and infrastructure.

Sarojini Naidu VanitaMaha Vidyalaya has produced a fair share of hands-on professionals - such as scientists, doctors, lawyers, engineers and chartered accountants - as well as administrators and civil servants. A few have also risen to occupy ministerial berths in government and positions of high office in politics! We are very proud of them as much as they are fond of us.

While any educational institution would welcome the boldest and brightest students, we endeavor to nurture the meek and weak too. We believe in the adage “**Educate a Girl and you Educate a Family**”. So, we do our best to ensure that no student discontinues studies at our college, especially because of financial reasons. To help us in our endeavor, our teachers and alumnae have made a modest monetary contribution to nurture financially needy students through scholarships and partial fee subsidy.

On a personal note, it is my experience that a student flourishes and performs beyond normal expectations if she is allowed to study the subject of her choice, without any constraints. The Choice Based Credit System (CBCS) introduced recently is one welcome step in this direction. On my part, I have insisted upon the teachers and counsellors here to help you find your true calling and make appropriate choices. I encourage you to draw upon and make the best use of their knowledge and experience.

To the parents reading this message, I would like to say 'admit your child here, and 2, 3, 5 or 7 years later you can take back a fine young woman with a well-rounded education. Our offering of Intermediate, Degree and PG Courses under one roof makes sure of that. If you are from outside of Hyderabad, our excellent hostel facilities make sure that your child's stay in Hyderabad is safe, secure and well nourished'.

To the students thinking of joining here, I say 'welcome once again and wish you an educative, fun filled, rewarding and memorable learning experience at this college'.

Sincerely
Aditya Margam
Chairman

The different 'Vanita Clubs' facilitate students to nurture their hobbies and enliven the participative spirit. Vanita open forum, to express students opinion on various burning issues and topics.

With experienced and dedicated teachers, and excellent infrastructure, our college helps its students to achieve their goals in life. Banking Service and Civil Services coaching prepare the students towards making different career choices. The journey from Education to Empowerment is fulfilled by the Placement Cell through On and Off Campus placements.

A word of hope to all the distant aspirants from neighbouring districts and states- we have a state of the art hostel attached to the college, where you get the feeling of being 'at Home' with the facilities and amenities provided by us.

Building the character and moulding the personality of the student through education has been the Motto of the institution- 'Vidya Vinayena Shobhate', which means Humility adds Luster to Education. So let us begin a meaningful and value laden journey in this prestigious institution.
