### **Introduction:**

Sarojini Naidu Vanita Maha Vidyalaya was established in 1962 as an undergraduate college. The P.G. courses were introduced in 1988 to cater the growing urge for higher education in women. Initially a few racks in the UG Library were used to shelve the PG books. Later in 1993 a separate PG Library was setup keeping in view the convenience and growing requirements with the addition of new PG Courses.

The courses offered initially were M.A. (English) and M. Com with strength of 40. Later other courses were added like M.Sc. (Botany) and M.Sc. (Zoology) in 1991 and M.Sc. (Chemistry) in 2002. and M.Sc. (Physics) in 2006. Recently M.Sc (Nutrition and Dietetics) was added in 2021. The PG Library has an exclusive collection in separate racks for all the 6 courses, which are classified accordingly.

Initially the MBA Library was clubbed in this library, but in 2006 it has been shifted to the MBA Block

The PG Library is under the Charge of Mrs. S.Nagamalleswari, M.A., MLIS, since 2014. She is being assisted with members.

Secretary & Correspondent on 28<sup>th</sup> September, 2011. All the library transactions (issues and returns) are done using this software. There is a facility of Open Access to the students through OPAC.

Honorary Secretary Shri B. Ramchander Rao inaugurating the Library Automation

Issues and returns

The Automation software of the library has been changed to NEWGENLIB software of Verus Solutions, which provides a better online service than the previous one. It has been launched in the month of July 2012. Presently, all the library transactions are carried out using this NEWGENLIB software.

**e-Resources:**

N-LIST and J-Gate are the new e-resources available in the PG Library. National Library and Information Services Infrastructure for Scholarly Content (N-List) provides over 75000 e-books and above 3000 e-journals in various subjects. J-Gate is a gateway of information to above 28400 Scholarly Research and Professional e-journals in the seven different subject groups out of which Social Sciences and Management are subscribed.

**Intra Library Loan**

Intra library loan facility is there between the U.G., P.G., MBA and Pharmacy libraries.

**Back Volumes of Journals & Periodicals:**

Special efforts are made to preserve valuable journals & periodicals that are subscribed. Most of the back volumes of the journals are bound according to their importance and systematically arranged.

**News Paper Clippings:**

There is a documentation maintained of the News Paper Clippings, which is useful for the student's reference depending on the content.

These Back Volumes and Clippings are of immense use for the students in developing research activity.

**Project Reports:**

The project reports, which are submitted by the M.Com students, are preserved in the library for the reference of the fresh students. Presently, the library possesses the reports submitted of about 8-10 Batches of students.

### **Students Orientation:**

Every year the Library holds an Orientation Programme to the fresher's about the library facility, services, issues & returns etc. The Lecturers also do this to their respective students. This paves the way for the new students to understand the library transactions and also at the same time makes them familiar to their subject books. A brief introduction of the journals and their uses like the current trends in their subjects, job news, information of the current news and events is also given to the students.

### **Technical Services:**

All the books in the Library are classified as per 22<sup>nd</sup> edition of the Dewey Decimal Classification Schedule. The cataloguing is done using the Anglo American Cataloguing Rules Vol-2 (AACR-2). The cataloguing is in progress.

### **Funding Source:**

The budget for the PG Library is allotted depending on the Student's Special Fee collected through which most of the purchases are done. The Management also has been very liberal in contributing their part of expenditure whenever an additional need arises.

## Visitor's Register:

Two gate registers are maintained separately to record the details of the students and staff visiting the library. A Visitor's Register is also maintained to register the special visitors to the library.

### **About the Seminar**

Today, we are living in a Knowledge Society, where a large majority of people are dependent on knowledge/information, knowledge-related vocations & professions, and our economies are called knowledge Economies. Libraries are the social institutions and major source of information / knowledge for the society. In the present times, libraries are being undergoing rapid and phenomenal changes, impacted by Information Technologies, Digital Technologies, Digital resources, the Internet, www, Artificial Intelligence, and Open Access Publishing, followed by the changing information needs and seeking behaviors of information users. These technologies, both destructive and innovative have been opening up wider opportunities in providing better, instant, and effective information services and also throwing bigger threats & challenges on the information professionals to cope with the transformations taking place in libraries. In light of the above, it becomes imperative for the library and information professionals to develop awareness of the developments/advancements, and gain adequate knowledge and skills to sustain and cope with the changes taking place in the information world and libraries. Therefore, the theme '**Changing Horizons in Libraries**' has been identified for the present one-day seminar being organized jointly by SNVMV and TSLA, Hyderabad. The Seminar is planned to have invited talks by subject experts.

### **The sub-themes identified for the Seminar are:**

- Sub-Theme-1:**  
*Artificial Intelligence in Libraries.*
- Sub-Theme-2:**  
*"Publication Metrics: Enhancing the Institutional Visibility".*
- Sub-Theme-3:**  
*Open Access Resources and Open Educational Resources for Academics.*
- Sub-Theme-4:**  
*ORCID, IRIS, Shodh Chakra, Infoport, Vidya-Mitra, InjStats, SCOPUS Author ID, Green Libraries, Smart libraries etc., -new concepts for professional librarians.*

**The Seminar is intended for academics-faculty members, research scholars, students, and Library professionals.**

### **About Sarojini Naidu Vanita Maha Vidyalaya (SNVMV)**

SNVMV is a premier and leading educational institution in the state of Telangana, established in 1962 by the Osmania Graduates' Association, which is affiliated with Osmania University. It is recognized by the UGC, under 2(F) and 12(B), and also by the AICTE for its Business Management Programmes. The College offers all the conventional courses at the undergraduate level in Arts, Science, Commerce and Management disciplines. To cater to the growing demand from aspiring women students, the College has introduced several self-financed courses in B.Sc. Microbiology, Computer Science, Electronics, Biochemistry and Nutrition, and B. Com Computers at the U.G level. The College offers various Post Graduate Degree Courses viz. M.B.A, M.Sc. Botany with Applied Botany (Tissue Culture) as a specialization, M.Sc. (Zoology) with Sericulture as a specialization, and M.Sc. (Chemistry) with Organic Chemistry specialization.

SNVMV has an enrolment of about 3,500 students and a team of 140 highly qualified and dedicated teaching staff. The college has a strong collection of about 65,000 books and audio-visual aids/materials that are housed in three separate Libraries to cater to the requirements of the students at the Undergraduate, Post Graduate, and Research Levels. The College is well equipped with laboratories, about 80 classrooms, and facilities for indoor as well as outdoor sports & games. The College has a spacious and well-equipped Hostel with all the modern amenities to accommodate the college students.

To foster the overall development of the students, facilities for extra and co-curricular activities like the NSS, NCC, Literary and Cultural Association, Arts and Crafts Clubs, Sangset Vanita, and NIPUNI are provided. The College has a full-fledged **Counselling Centre and arranges placements, personal counselling, and short-term courses** under the '*Earn While You Learn*' Scheme. The College has been maintaining high standards of teaching and academic performance.

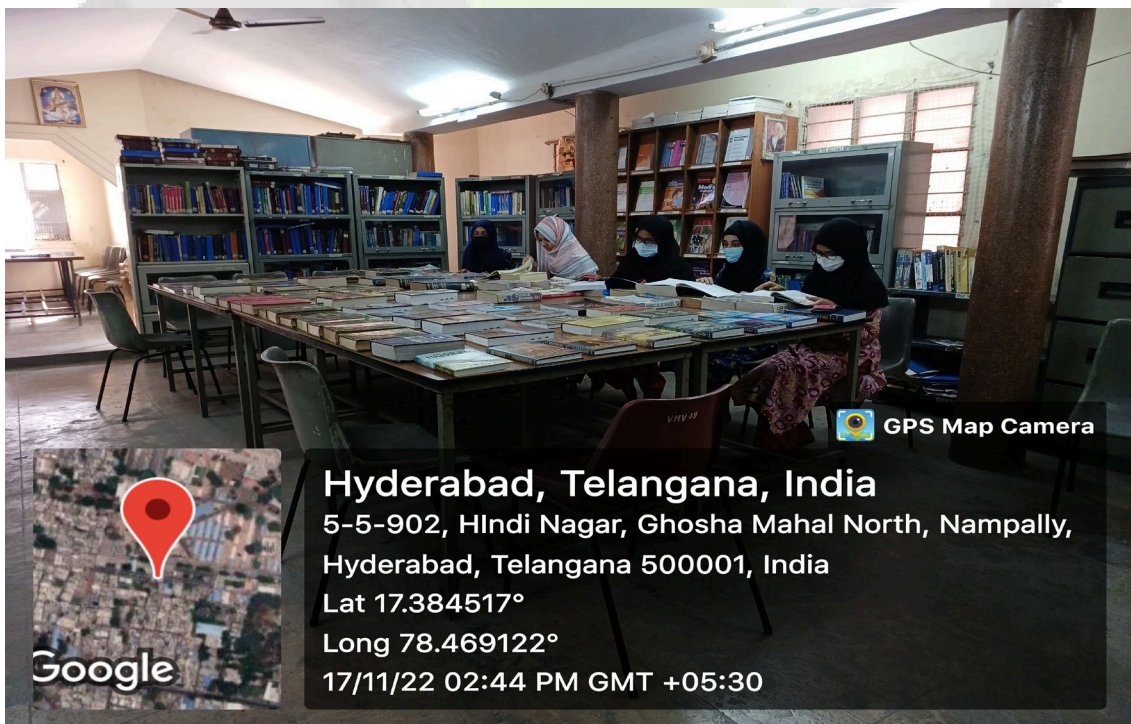

### **About SNVMV Library**

The UG Library of the College was started in 1962 with a meagre collection of 1391 books, which has steadily grown over the years to a huge collection of 70,000 books. There was a common library for Inter Mediate, UG, and PG. As the collection of books increased, a separate PG Library was set up in the year 1992 and in 2006 an exclusive MBA library was set up. Apart from the general textbooks, the library has a varied collection of informative, educative, and interesting reference books, such as general and subject encyclopaedias, Dictionaries, Books on competitive examinations, Personality development, and career guidance are available in the library. The College Library is a member of *N-List, DELNET, and NDL*. The library has been subscribing to 45 International and National Journals, Periodicals, and News Papers.
